Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Visalia (City) is an entitlement jurisdiction that receives federal funds from the U.S.

The City receives U. S. Department of Housing and Urban Development (HUD) funding under the Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) Program, which are designed to assist low and moderate income (LMI) households, investing in Visalia's local communities/neighborhoods.

As an entitlement jurisdiction, HUD requires that the City prepare a Consolidated Plan every five years to foster a community-wide dialogue regarding the market environment and affordable housing and community development needs of the City. The Strategic Plan is a specific course of action, which builds on local assets and coordinates a response to the needs of the community. The Strategic Plan set the program goals, specific objectives, annual goals and benchmarks for measuring progress. The five-year strategy covers the period from July 1, 2015 through June 30, 2019.

As part of the Conplan, and Strategic Plan, the City is also required to prepare an Annual Action Plan to report on the distribution of federal funding for the program year, which starts annually July 1st through June 30th of the following year. The Annual Plan explains how the City of Visalia intends to use its CDBG and HOME allocation, and how the funded programs, projects and activities will address the priorities identified in the Consolidated Plan, more specifically the Strategic Plan. The Annual Plan also identifies the federal and non-federal resources that will be used meet the goals of the approved Consolidated Plan.

This is the second year Action Plan, which reflects the goals and objectives for the period starting July 1, 2016 through June 30, 2017, and 2015 Action Plan Amendments to redirect HOME funds, Program Income and CDBG funds.

The CDBG Target Map is for 2015 and 2016, and shall be updated, if required, on an annual basis. Any notation to 2013 CDBG Target Area, based on the initial submission with the 2015 ConPlan, shall now reflect the updated map, and applies to the 2015 and 2016 years.

This is a minor amendment (AP2016 Amend No.2) to redirect Oval Park (Playground) to Oval Park (engineering- improvements). See attached memo \$29989.90

A substantial amendment was approved by City Council on April 3, 2017 to direct up to \$200,000 in additional HOME Program Income (PI) received to continue the success of the Self Help Enterprises, Inc. Community Housing Development Organization (SHE-CHDO) Acq/Rehab projects.

City of Visalia- Memo-

To: Mike Olmos, City Manager
From: Rhonda Haynes, Housing Specialist
CC: Nick Mascia, Community Development Director
Chris Tavarez, Administrative Service Manager

Date: March 15, 2017

Re: Minor and Technical Amendment – Referenced CDBG Oval Park Activity #831 move to 2015 Public Improvements- Oval Area Activity #830 (Oval Project Budget – IDIS (CP0103)).

Background:

This is a minor and technical amendment to reference the balance remaining in activity #831 "Oval Park Improvements", to be moved to activity #830 "2015 Public Improvements- Oval Area". The Oval Park Playground project was completed under the activity #831. For purposes of maintaining the use of CDBG funds in and around the Oval Park and for tracking these Oval Park Improvements through engineering, the remaining balance of activity #831, \$29,989.90 shall be moved to activity #830. The IDIS system will be adjusted accordingly.

Minor funding Amendment:

The request shifts (increases) the allocation. The increase is less than 75% of a change in funding, therefore does not require a formal amendment through the City Council, only review and approval by the City Manager.

This request falls within the requirements of a "minor amendment" as identified in the Citizens Participation Plan and approved by Council and HUD. The requirements states:

"Amendment, Minor: A change to a previously adopted Five Year Consolidated Plan or Annual Action Plan that does not meet the thresholds to qualify as a Substantial Amendment. A minor amendment may include monetary changes or shifts, regardless of size that are both:

- 1. Necessary for substantially preserving all the programs and activities identified in a Plan.*
- 2. Necessitated by significant changes in the funding levels between HUD's initial estimates of funding amounts and HUD's final allocation notification to the City."*

For reference only, the definition of a Substantial Amendment is included, as identified in the Citizens Participation Plan and approved by Council and HUD. The requirements states:

"Amendment, Substantial: A change to a previously adopted Five Year Plan or Annual Plan that:

- 1. Increases or decreases the amount allocated to a category of funding within the City's entitlement grant programs (as listed below) by 75 percent.*
- 2. Significantly changes an activity's proposed beneficiaries or persons served*
- 3. Allocates funding for a new activity not previously described in the Action Plan"*

This memo serves as the action required for a minor amendment. A public hearing is not required. This memo shall act as the City's authorization.

Authorized by: Michael Olmos, City Manager

Department Recommendation: Approve and adopt the following:

1. 2016 (Fiscal Year 2016/17) Action Plan Amendment to:
 - a. Direct up to \$200,000 of 2016 of Home Investment Partnership funds (HOME) Program Income to Self Help Enterprises, Inc. Community Housing Development Organization (SHE-CHDO) Acquisition/Rehab Projects; and
 - i. Authorize the City Manager and/or City Attorney to make minor technical changes to the Self Help Acquisition/Rehab Agreement (Fourth Amendment); and
2. 2017 Action Plan:
 - a. Estimated 2017 (Fiscal Year 2017/18) Community Development Block Grant (CDBG) grant of \$1,116,868, and up to \$25,000 in program income for proposed CDBG eligible activities; and
 - b. Estimated 2017 (Fiscal Year 2017/18) HOME Investment Partnership (HOME) grant of \$369,985, and up to \$150,000, in program income for proposed HOME eligible activities.

Summary: As a condition of receiving federal funds, HUD requires the City to prepare a five-year Consolidated Plan (ConPlan) (prepared and approved 2015), and a yearly Action Plan (AP). Each year the City goes through the process of evaluating proposed Action Plan activities for the use of Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funds. This is the third year of the five year ConPlan.

Annual Action Plan
2016

Item 12. - Page 2

As required by HUD, Staff conducted outreach, reviewed the 5 Year strategic Plan and proposed 2016 HOME Amendment, proposed 2017 Action Plan CDBG and HOME activities with various community committees and City Council between December 2016 and January of 2017. The Draft Plan and Amendment was prepared and then made available for public review and comment on February 1, 2017 through March 02, 2017. During this time, Staff presented the Draft Plan to various committees and made available to the community through noticing and outreach efforts to obtain feedback. Staff then presented the Draft 2016 HOME Amendment (Attachment "A") and CDBG and HOME Budget (Attachment "B"), to City Council on March 20, 2017. This report includes the 2017 Action Plan report (Attachment "C").

Comments received to date include general support of proposed activities, support of working with our local non-profit agencies on acquisition of properties, which will assist in improving neighborhoods and homeless program efforts. This report includes responses to community and Council's comments since December of 2016 (Attachment "D").

This is the final review and approval of the 2016 HOME Amendment and 2017 Action Plan. The figures provided are estimated on the previous year funding, and will be finalized upon Congressional Budget approval and HUD's noticing. The Plan will be submitted to HUD for review and approval by May 5th in order to meet the submission/response deadline of May 15th.

Background Discussion: As a participating jurisdiction and entitlement community, the City of Visalia receives federal formula grants through the U.S. Department of Housing and Urban Development (HUD). This entitlement provides the City with annual direct grants, to provide decent affordable housing, a suitable living environment and to expand economic opportunities, primarily for low-income persons/households. This includes census tract areas that reflect 51% of the household income at or below 80% area median income.

HOME 2016 Amendment:

The 2016 Action Plan HOME Amendment directs up to \$200,000 in additional HOME Program Income (PI) received funds to continue the success of the Self Help Enterprises, Inc. Community Housing Development Organization (SHE-CHDO) Acq/Rehab projects. Additional HOME Program Income in the amount of \$130,000 was recently received from Self Help's resell of a SHE-CHDO Project home, with additional funding anticipated from loan payments through our loan portfolio; therefore, the amendment reflects an amount up to \$200,000 in HOME funds toward Self Help's successful projects, allowing them to implement both single family and multi-family dwelling type projects. Table 1 (Attachment A), reflects the 2016 HOME Amendment.

2017 Action Plan:

Based on successful established activities which meet the 5 year priorities, feedback, and existing commitments and contracts (non-discretionary) and discretionary project funding, Staff has developed the proposed 2017 activity listing with HOME and CDBG allocations including program income (PI). The estimated program income (PI), is derived from repayment of existing borrower first time homebuyer and rehabilitation loans and recycling program income

derived from Self Help Enterprises (purchased, rehabilitated and resold homes). Staff has provided a side-by-side comparison, in Table 2, (Attachment B) including prior year rollover balance budgets with their respective project and program commitment activities along with the proposed projects for the 2017 Action Plan. The 2017 Action Plan (Fiscal Year 2017/18, which is July 1st, 2017 thru June 30, 2018) funding will deliver continued programs, projects and services to the community.

Staff has not yet received notice of Program Year 2017 Action Plan funding. Typically, HUD notifies grantees between April and June. Therefore, the figures provided to the public and Council at this time, are estimated on the previous year funding received only. The 2017 funding may be more or less, which the difference will be reflected within the CDBG ADA compliance program and HOME funding difference will be reflected within Self Help's CHDO Acq/Rehab Program.

The 2017 CDBG Grant estimate is \$1,116,868 plus estimated program income of \$25,000, totals \$1,141,868, which is recommended for use toward the following eligible proposed CDBG activities:

CDBG 2017 Proposed Projects:

| | |
|----------------------------------------------------------------------------------|--------------------|
| • <i>Non-Discretionary funded Programs:</i> | |
| o Fair Housing Education (public service) | \$15,000 |

| o <i>HOME- Program Income toward SHE- CHDO projects</i> | <u>\$135,000</u> |
| o *Total Estimated HOME 2017-18 allocation: | \$519,985 |

Item 12. - Page 4

Fiscal Impact: Once approved, 2016 Amendment would authorize directing up to \$200,000 in HOME Program Income to SHE CHDO Acq/Rehab Projects; and authorize 2017 CDBG, HOME and Program Income.

Prior Council Action: January 17, 2017, Work Session, City Council provided direction on proposed 2016 Amendment and proposed 2017 Action Plan activities in order to finalize the Draft Plan. March 20, 2017, City Council Regular Item- Consent, allowed City Council to review the FINAL DRAFT 2016 Amendment and 2017 Action Plan, and comments received. No decisions were made at that time, only additional opportunity to review and comment on the draft amendment and plan.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The four Consolidated Plan goals below represent high priority needs for the City of Visalia (City) and serve as the basis for the strategic actions the City will continue to use toward meeting these needs. Based on the Needs Assessment, Market Analysis, and community outreach conducted in mid- 2015, in preparation of the current five-year Consolidated Plan cycle. The 2015-2019 Consolidated Plan efforts resulted in the following high priority needs:

1. Creation and preservation of decent affordable housing
2. Provide a suitable living environment
3. Promote economic opportunity
4. Provide program administration, planning, and management

In FY 2016, Visalia will fund activities in furtherance of the objectives and priorities identified in the Strategic Plan for the five years from 2015 to 2019, improving availability, accessibility, affordability and sustainability through programs and activities which benefit the community. The activities for the 2016 FY will support at least one objective and one outcome, and includes 1) Draft 2015 Substantial Amendment to redirect HOME funding the amount of \$127,349 from a recapture program, to SHE CHDO Acq/rehab/new construction or reconstruction Projects and program policy amendment; and 2) direct HOME Program Income up to \$148k to SHE CHDO Highland Gardens to finalize commitment of \$1.8M approved last year; and 3) 2015 Amendment redirecting CDBG funds (\$25k ea) from two owner occupied housing & emergency rehab programs to the Senior Mobile Home Repair Program; and 4) Proposed 2016 CDBG and HOME Funding as identified within the 2015-2019 Consolidated Plan (ConPlan) priority needs. The 2016 Action Plan activities are listed in section AP-35, Projects, more specifically, AP-38 Project Summary. The Action Plan minor and substantial amendments are also included.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

December 16, 2015, HUD approved Visalia's Consolidated Annual Performance and Evaluation Report (CAPER). Visalia's grant performance conveyed through the evaluation showed steady progress in meeting the goals and objectives for both HOME and CDBG. The City also exceeded its CDBG goals for housing code enforcement, public facility/infrastructure improvements, public services and homeless services. The City will continue with successful programs, meeting high priority needs, addressing affordable housing, a suitable living environment and economic development objectives as follows:

Affordable Housing: Visalia is currently administering successful projects, programs and activities with the FY 2015 grant funds. This includes the HOME Community Housing Development Organization (CHDO) projects which Self Help Enterprises, Inc. (SHE), who has acquired (4) single family homes, and one 5-unit multi-family property. Staff shall continue working with SHE to provide affordable rental and owner housing to qualifying households.

Visalia partnered with SHE, Inc., in the development of a NEW 36-unit multi-family rental development, known as Highland Gardens, located at Highland Avenue, west of State 63, between Riggan and Ferguson Streets. Construction began in December 2015 and is expected to be complete by December 2016.

Other HOME funded effort includes the development of the new HOME pilot program, known as Tenant Based Rental Assistance (TBRA). The purpose of the TBRA Program is to provide secure, safe, decent and sanitary rental housing assistance to extremely low and very low-income persons or households that are homeless who meets the tenant selection criteria. The TBRA is focused on special purposes or specific housing needs of Visalia's homeless population as indicated within the Consolidated Plan. During the year, staff prepared draft guidelines to accompany a Request for Proposal (RFP). Staff worked with the Continuum of Care in program and policy development. Staff also submitted the draft guidelines to its HUD representative in order to obtain their input on the development of program. Staff anticipates finalizing the Draft policies and RFP by mid -year of 2016.

In August of 2015, the City began working with SHE, Inc. in developing and streamlining policies, for the administration of the CDBG Mobile Home Repair Program. Due to the limited \$20,000 funding in FY 2015, the agreement has not been executed. It will require additional analysis to streamline the administration of the program and additional funds for participants. Staff is recommending an amendment FY 2015, \$25,000 and \$25,000 funds redirected to the mobile home program from two owner occupied rehabilitation programs, in order to gear up for the administration of the program, once an analysis is completed. Staff recommends a portion of FY 2016 available CDBG funds also be directed toward the mobile home program.

Suitable Living Environment: Staff will continue to use CDBG funding to improve public, park and accessibility improvements that serve primarily low and moderate income residents and disabled population.

Economic Development: Staff will continue to use CDBG funds for the Section 108 loan repayment through the year 2018. The City is committed to providing adequate parking in the downtown area to further promote jobs.

Public Services: Staff continues its efforts in allocating CDBG funding toward public services and education. Staff is working with Fair Housing Council of Central California in finalizing and executing an agreement in order to provide education to the community. Other public service programs include Code Enforcement, Continuum of Care and Family Services- Voucher Programs. This is in support of the high priority needs identified in the ConPlan/Strategic Plan during the 2015-2019 Plan.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Overview of 5 Year ConPlan participation: In agreement with 24 CFR 91.115, the City of Visalia adopted a Citizens Participation Plan (CPP), as part of the five-year Consolidated Planning (ConPlan) process in FY 2015, describes the citizens participation requirements. The CPP is on file at the City of Visalia, Community Development Department, and on the City of Visalia's website, at <http://www.visalia.city/civicax/filebank/blobload.aspx?BlobID=30298>

To maximize participation in the preparation of the 2015-2019 ConPlan, the City designed and administered a Community Needs Survey and held Community Forums. The Survey was distributed to residents, workers, service providers, and businesses of the City. The Plan describes the potential outreach, entities, organizations, or persons that were informed of the ConPlan. Hardcopy surveys were distributed to public housing sites, school districts, health care providers, libraries, and community centers. The survey was also distributed via email and social media. The City sent emails to 350 different individuals or organizations notifying them of the Survey and Community and Stakeholder Forums. It was estimated that 4,559 persons on Facebook and 819 persons on Twitter were reached with information regarding the Con Plan, with 214 survey responses were submitted to the City. The City also held three Community Forums, which were attended by a total of 22 individuals, and presented the Consolidated Plan to multiple organizations and advisory boards.

2016 Action Plan Community and Council Feedback: As part of the consultation process, Staff met with various committees and specifically reviewed the 5 Year Plan identified needs, which serves as a comprehensive strategy, describing the City's community development priorities and multi-year goals for use of CDBG and HOME funds from July 1, 2015 through June 30, 2019. Staff then reviewed the current 2015 Action Plan, in preparation of the Draft 2016 Action Plan, along with proposed activities for the 2016 year and 2015 amendments. Additionally, the City reached out once again via-email to the ConPlan list of agencies, presenting this same information, which included a Feedback response form, asking 1) what is their feedback on the proposed goals and activities for the second year (Action Plan), and 2) what other goals (high priority activities) are needed for low income housing, jobs and/or low income areas. Then requested narrative feedback and identification of agency they represent.

Community and City Council Meetings: Staff expanded the opportunity to the community and committees to provide feedback by presenting an overview of the 5-year Plan, high priorities, funding allocations, and proposed 2016 activities. Five (5) community meetings and a City council work session meeting was held as follows:

- North Visalia Neighborhood Advisory Committee meeting on December 10, 2015
- Citizens Advisory Committee meeting on January 6, 2016
- Disability Advocacy Committee on January 11, 2016
- Visalia Homeless Resource Task Group on January 14, 2016

- Continuum of Care Member Meeting on January 21, 2016
- City Council Work Session on March 07, 2016

The members of these groups and committees and city departments, participated in the consultation /feedback process on community development, homeless and housing needs. The committees and task groups referenced above, in addition to the City Council included representation from regional organizations, Faith based organizations, Continuum of Care Staff members, County, Hospital, Health and Human services, including mental health services; housing, education, domestic violence, services and non-profit providers, businesses and business owners, City of Visalia, City Council, Housing and Police Department and community at large.

| Staff gave an overview of 2015/16 CDBG & HOME projects and programs. Members indicated that in light of all the recent rain it is proposed that a total of \$50,000.00 of CDBG funds get moved from Housing Rehabilitation Program, Emergency Repair & Accessibility Program and get applied to the Senior Mobile home Repair Program. Staff indicated that this would bring the total allocated funds for this particular program to \$70,000.00 and would be of a greater benefit to the multiple senior parks in Visalia. | It was asked if the DAC would support the adjustment to \$70,000 of funds. The committee recommended, with the 2016 Action Plan that the estimated \$65k be increased to \$100,000. This was noted by staff for future discussion/program action. The DAC members made a motion to recommend approval redirection of 2015 CDBG funds of \$50,000 to the Senior Mobile Home Park Program. |
| Committee member would like to see when new units are constructed that more accessible units be included beyond the building code standards | Noted |
| Committee member heard that Kaweah Delta needs another parking structure when they expand. Once the City's section 108 loan is paid off, members feel that the money would again go toward a parking structure, where the funds could be used for housing. | Staff indicated that the City's current Section 108 loan final payment will be at the end of 2018. The parking structure was primarily tied to the KDDH expansion. It assists with parking in the downtown area, keeping it vibrant. Staff indicated if a parking structure was to be constructed and a Section 108 loan is applied for, the City would be required to work with HUD and follow the process, including tracking of jobs created and/or retained. CDBG funds can be used as a guarantee repayment of the loan. A public hearing process would be conducted. |
| Committee member also noted that it doesn't seem to be a priority to get things fixed (overall, i.e. existing housing, homeless population needs), locally, statewide and nationwide. | Noted |

| Motion made by the committee to redirect the 2015 CDBG funds in the amount of \$25,000 from the Emergency Repair and Accessible Program and \$25,000 in CDBG funds from the Housing Rehabilitation Program to the CDBG Senior Mobile Home Program. | Staff noted the committee's recommendation. Staff also indicated that they would work administratively on the policies of the Emergency Repair and the Housing Rehabilitation Programs. Staff also noted that the City is working with Habitat for Humanity on the development of policies in relation to \$80,000 set aside a couple of years ago for the rehabilitation program. Habitat is working through the requirements as a sub recipient. |

CITY OF VISALIA | 2016 Action Plan
Public Notice for City Action Plan

We are seeking feedback. The City of Visalia receives federal funds to invest in improving its community. The City of Visalia is seeking comments on a 1) Draft 2015 Substantial Amendment to redirect HOME funds of \$127,349, from a recapture program, to SHE CHDO Acq/Rehab Program and Program Policy Amendment; and 2) direct HOME Program Income up to \$148k to SHE CHDO Highland Gardens to finalize commitment of \$1.8M approved last year; and 3) 2015 Amendment redirecting CDBG funds \$25k from Housing Rehabilitation and \$25,000 from Emergency Rehab Programs to the Senior Mobile Home Repair Program; and 4) Proposed 2016 CDBG/HOME funding as identified in the 2015-2019 Consolidated Plan (ConPlan) priority needs, and proposed 2016 Action Plan activities listed below.

5-Year Priority Needs. Based on the Needs Assessment, Market Analysis, and community outreach conducted in mid-2015, the 2015-2019 ConPlan efforts resulted in the following four goals, which represent high priority needs approved by City Council and HUD, which serves as the basis for the strategic actions the City will continue to take for the use of Community Development Block Grant Program (CDBG) and HOME Investment Partnership Program (HOME) funding:

- 1) Creation and preservation of decent affordable housing
- 2) Provide a suitable living environment
- 3) Promote economic opportunity
- 4) Provide program administration, planning, and management

Proposed 2016 Action Plan activities: In the Five Year ConPlan Visalia indicated that HOME funds would generally be used for multifamily new construction, scattered site acquisition/rehab of existing rental and ownership properties through the City's certified Community Housing Development Organization (CHDO), down payment assistance and tenant-based rental assistance.

The CDBG program planned priorities identified for the same term is public and park improvements, public services, such as code enforcement, fair housing, voucher program, case management, owner occupied housing rehabilitation, and economic development, specifically repayment of the Section 108 loan. For the 2016 Action Plan, the allocations for Visalia will be \$1,115,868 in CDBG grant funds, with estimated \$50,000 in program income, and \$368,014 HOME grant funds, with an estimated \$200,000 in program income.

In FY 2016, Visalia will fund activities in furtherance of the objectives and priorities identified in the Strategic Plan with the outcome of improving availability, accessibility, affordability and sustainability through activities which benefit the community. The activities for the 2016 FY will support at least one objective and one outcome.

2016 DRAFT Action Plan - Comment Period and upcoming community and City Council Meetings:
City Of Visalia will receive comments on the Draft Action Plan beginning March 10, 2016 through April 08, 2016.

Staff invites you to attend one of the community meetings, city council work session, or submit your comments in writing as we develop the HUD 2016 Annual Action Plan, based on the priorities adopted through the 2015-2019 Consolidated Plan process. If you are unable to attend you, may submit your comments in writing to Rhonda.haynes@visalia.city

- 4) Proporcionan administración del programa, planificación y gestión

Actividades Propuestas en el Plan de Acción de 2016: En el Plan Consolidado de cinco años Visalia indicó que fondos del programa HOME generalmente serán utilizados para la construcción de nuevas viviendas multifamiliares, adquisición y rehabilitación de sitios dispersos de alquiler existente y propiedades a través de una Organización de Desarrollo de Vivienda Comunitaria certificada (CHDO), asistencia para el pago inicial y ayuda para alquiler.

Las prioridades que el programa CDBG identifico son servicios públicos y mejorías a parques, tales como la aplicación de código, la igualdad de vivienda, el programa de vales, manejo de casos, rehabilitación de viviendas ocupadas por su propietario, y el desarrollo económico, concretamente el reembolso del préstamo de sección 108. Para el Plan de Acción 2016, las asignaciones para Visalia serán \$ 1,116,868 en fondos CDBG, estimando \$50,000 en los ingresos del programa; y, \$368,014 de fondos HOME de subvención, con un estimado de \$ 200,000 en ingresos del programa.

En 2016, Visalia financiará actividades que cumplen con los objetivos y las prioridades identificadas en el Plan Estratégico, que resultaran en el mejoramiento de disponibilidad, accesibilidad, asequibilidad y sostenibilidad a través de actividades que beneficien a la comunidad. Las actividades para el año fiscal 2016 apoyará al menos un objetivo y un resultado.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The Summary of comments of the original 2016 Action Plan are referenced below. In relation to the Substantial Amendment 2016 AP of HOME funding, the comments received, public noticing, public meetings, etc are included under AD-26.

Citizens Participation During 30-day Comment Period for the 2016 PY Action Plan: On March 07, 2016, and on April 04, 2016, a public notice, seeking comments from the community related to the DRAFT 2016 proposed activities was published in the Visalia Times Delta (local newspaper), Continuum of Care's website, as well as emailed to listserves of the CoC's, Homeless Resource Task Group; Hispanic Chamber of Commerce members and Community Service Employment Training (CSET). The notice was sent to Self Help Enterprise, CSET, Habitat for Humanity, Family Health Care Network, Tulare County Public Library and Post Office for posting. The notice included opportunities to participate in a community meeting, city council meeting or provide comments in writing. A summary of the proposed activities was also included in the public notice, referencing the comment period beginning March 10, 2016, through April 08, 2016.

The Draft FY 2016 AAP was placed on the City of Visalia's website at:

http://www.visalia.city/depts/community_development/housing_n_cdbg_services/publications_n_reports/action_plans.asp/ The Plan was available in the Community Development office, located at 315 East Acequia; and City Manager Administrative office, located at 220 North Santa Fe Street, Visalia and Tulare County public library in Visalia.

CITY OF VISALIA (Public Notice for City 2017 Proposed Action Plan & 2016 Amendment)

We are seeking feedback. The City of Visalia receives federal funds to invest in improving its community. The City of Visalia is seeking comments on a 1) direct additional HOME Program income up to \$10,000 to 540 CHDO Affordable or New Construction Projects 2) proposed 2017 CHDO HOME funding as identified in the 2015-2017 Consolidated Plan (Conflict priority needs, and proposed 2017 Action Plan activities listed below.

- 3 Year Priority Needs Based on the Needs Assessment, Market Analysis, and community outreach conducted in mid-2015, the 2015-2019 City Plan efforts resulted in the following four needs which represent high priority needs approved by City Council and HUD, which serves as the basis for the strategic actions. The City will continue to take for the use of Community Development Block Grant Program (CDBG) and HOME Investment Partnership Program (HOME) funding:
- 1) Creation and preservation of decent affordable housing
 - 2) Provide a suitable living environment
 - 3) Promote economic opportunity
 - 4) Provide program administration, planning, and management

Proposed 2017 Action Plan activities in the Five Year Certified Visalia indicated that HOME funds would generally be used for multifamily new construction, sustained and acquisition/renovation of existing rental and ownership properties through the City's certified Community Housing Development Organization (CHDO), down payment assistance and tenant-based rental assistance.

The CDBG program planned priorities identified for the same term is public and park improvements, public services, such as fire, housing, broader program, case management, child care, senior, housing rehabilitation, and economic development, specifically repavement of the Section 808 lanes. For the 2017 Action Plan, the allocation for Visalia is estimated at \$1,115,000 in CDBG grant funds, with an estimated \$5,000 in program income and \$80,983 HOME grant funds, with an estimated \$394,800 in program income. The 2017 grant award may be more or less than last year's figures. This is an estimated page.

In FY 2017, Visalia will fund activities in furtherance of the objective and priorities identified in the Strategic Plan with the outcome of increasing availability, accessibility, affordability and sustainability through activities which benefit the community. The activities for the 2017 FY will support at least one objective and one outcome.

Proposed 2016 Action Plan Amendment activities: The 2016 HOME Amendment is due to additional Program Income received, and anticipated in total up to \$200,000 which is proposed for additional housing to self-help as a designated CHDO toward Affordable or new construction of housing.

2017 BIAT Action Plan & 2016 Amendment-Comment Period and upcoming community and City Council Meetings: City of Visalia will require comments on the Draft Action Plan beginning February 21, 2017 through March 6, 2017.

| 1-6-17: Request by Visalia Emergency Aid Council (VEAC): The Director requested prioritization from the city engineering department in upgrading existing intersections of NE 3rd Avenue and Granite Street with handicap accessibility curbing, etc.VEAC also requested CDBG funding to support demolition and the renovation of their parking lot, which includes the requirements for ada parking, as well as demolition of outbuildings, as their intention is to build a new pantry at their existing location. The current pantry, built in 1940, does not meet current ADA and building standards, their service requests have risen from 200 families per month in 1972 when VEAC first acquired the building, to over 800 families per month currently. | Staff met with VEAC on 1-3-17 and reviewed the ConPlan Needs, current Action Plan activities and proposed 2017 AP. VEAC submitted a letter on 1-6-17, requesting prioritization of handicapped sidewalk-curb cuts. Their request included a request for CDBG funds for parking lot demolition and renovation and outbuilding demolition. The information regarding the ADA sidewalks is within the City's right of way and CDBG Targeted area, which will be forwarded to the Engineering Department to prioritize, where ADA accessibility needs are being assessed. Additionally, there is neither sufficient funding, nor an established program for non-profit ADA parking, as this is required for all businesses. And, there is neither funding nor an established program for demolition type projects identified as a high priority need in the current 5 year ConPlan. |

| CAC Member, "I have reviewed the 2017 Action Plan, and I agree with the projected activities. I'm like the new Street Outreach. As I suggested at our CAC meeting, lets collect sufficient data to determine success of the program. If successful would like to increase funding for 2018. Thank you for all the work you do on this." | Noted |
| The Continuum of Care (The Alliance) submitted comment on 2-6-17, whereas they supported the action plan and amendment, but also requested that the City consider adding a line item to establish a landlord mitigation fund that could be used to offset damages and/or potential risk undertaken as a result of leasing to persons experiencing homelessness. | Noted. |

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments or views are accepted, see attached feedback in preparation of the Action Plan and Amendments.

7. Summary

Action Plan between December 2015 and March 2016, and additional comments received during the 30 day public comment period.

Minor amendment dated May 17, 2016 (memo) approved 6-1-16, redirected \$9,075 from ADA project to Voucher Program. Completed AP Minor Amendment in system on November 3, 2016.

Completed a Substantial Amendment to the 2016 Action Plan during the 2017 Action Plan process on April 3, 2017. See AD-26 for public comments, participation, community meetings, noticing and City Council report dated April 3, 2017 for the approval of \$200,000 in HOME Program income toward the SHE CHDO Acq/Rehab Projects. A portion of the community participation, public noticing and comments received are herein above.

Participation included through the 2017 AP process (as a 2016 Substantial Amendment)

2017 Action Plan & 2016 Amendment Community and Council Feedback: (IDIS Attachment AP-05 No. 4 (1 & 2))

As part of the consultation process, Staff met with various committees and specifically reviewed the 5 Year Plan identified needs, which serves as a comprehensive strategy, describing the City's community development priorities and multi-year goals for use of CDBG and HOME funds from July 1, 2015 through June 30, 2019. Staff then reviewed the current 2016 Action Plan, in preparation of the Draft 2017 Action Plan, along with proposed activities for the 2017 year and 2016 amendment. Additionally, the City reached out once again via-email to the ConPlan list of agencies, presenting this same information, which included a Feedback response form, asking 1) what is their feedback on the proposed goals and activities for the third year (Action Plan), and 2) what other goals (high priority activities) are needed for low income housing, jobs and/or low income areas. Then requested narrative feedback and identification of agency they represent.

2016 Substantial Amendment) Community and City Council Meetings:

Staff expanded the opportunity to the community and committees to provide feedback by presenting an overview of the 5-year Plan, high priorities, funding allocations, and proposed 2017 activities. Five (5) community meetings including a City council work session meeting was held as follows:

- Citizens Advisory Committee meeting on December 07, 2016
- North Visalia Neighborhood Advisory Committee meeting on December 08, 2016
- Disability Advocacy Committee on December 12, 2016
- City Council Work Session on January 17, 2017
- Continuum of Care Member Meeting on January 19, 2017

The members of these groups and committees and city departments, participated in the consultation /feedback process on community development, homeless and housing needs. The committees and task groups referenced above, in addition to the City Council included representation from regional organizations, Faith based organizations, Continuum of Care Staff members, County, Hospital, Health and Human services, including mental health services; housing, education, domestic violence, services and non-profit providers, businesses and business owners, City of Visalia, City Council, Housing and Police Department and community at large.

(2016 Substantial Amendment) Citizens Participation During 30-day Comment Period for the 2017 PY Action Plan & 2016 Amendment:

On January 17, 2017, February 01, 2017, and March 02, 2017, the public notice was published in the Visalia Times Delta. The notice included a summary of the proposed activities, amendment, the committee's and Council meeting dates, time and locations. The notice included the opportunity to attend the City Council work session on January 17, 2017, where staff was seeking feedback in preparation of the Draft Action Plan & Amendment. The notice was also published in the weekly paper on January 19, 2017, and February 02, 2017.

The notice then included the public comment period from February 01, 2017 through March 02, 2017. During this time, three community meetings were scheduled to attend and obtain feedback on the Draft Plan & Amendment.

- Citizens Advisory Committee meeting on February 01, 2017
- North Visalia Neighborhood Advisory Committee meeting on February 09, 2017
- Disability Advocacy Committee on February 13, 2017

The notice also included the City Council regular meeting scheduled March 20, 2017, seeking comments from the community related to the DRAFT 2017 Action Plan and 2016 Amendment. Thereafter, the final public hearing was included within the notice, which was scheduled to be held by City Council on April 03, 2017.

To seek additional opportunities for comments and participation in the meetings, the notice was posted on the Continuum of Care's website, as well as emailed to list serves of the CoC's, and Hispanic Chamber of Commerce members. The notice was sent to Self Help Enterprise, Community Service Employment Training, Habitat for Humanity, Family Health Care Network, Tulare County Public Library and Post Office for posting. The notice also included opportunities to provide comments in writing. The Draft FY 2017 AAP and 2016 Amendment was placed on the City of Visalia's website at: http://www.ci.visalia.ca.us/depts/community_development/housing_n_cdbg_services/default.asp

The Plan was available in the Community Development office, located at 315 East Acequia; and City Manager Administrative office, located at 220 North Santa Fe Street, Visalia and Tulare County public library in Visalia.

Comments received during the preparation of the 2017 Action Plan and 2016 Amendment, and comments received during the 30 day public comment period are attached. (Attachment "A") Additional documentation for certification of publishing and confirmation of noticing on various website, are included within IDIS under AD-26 Administration and AP-05 Executive Summary as attachments.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The City worked collaboratively with public officials, City departments, community residents, stakeholders, and beneficiaries of entitlement funds to craft the priorities and strategies included in the ConPlan last year. The City facilitated a community outreach and engagement effort to further strengthen the dialogue between public and assisted housing providers and private and governmental health, mental health and service agencies that receive federal funding. The City held three community forums to prompt a discussion on the City's top community needs and approaches to address them during the development and adoption of the 2015 ConPlan. These efforts were continued with the preparation of the 2016 Action Plan and Amendments, as referenced below.

Consultation related to the 2016 Substantial Amendment for the \$200,000 in HOME Program Income, was conducted in conjunction with the 2017 Action

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

For the 2016 Action Plan and Amendments, staff continued efforts by attending five community group meetings. Staff specifically reviewed the 5 Year Plan identified needs, serving as a comprehensive strategy, describing the City's community development priorities and multi-year goals with CDBG and HOME funds from July 1, 2015 through June 30, 2019. Staff then reviewed the current 2015 Action Plan, in preparation of the Draft 2016 Action Plan, along with proposed activities for the 2016 year and recommended amendments, and requested feedback to confirm proposed activities continue meeting the identified goals, and also requested they provide feedback on any additional goals that should be considered.

Specifically related to public and assisted housing providers, private and governmental health, mental health and service agencies, were among the members of the following committee meetings which were held as follows:

- North Visalia Neighborhood Advisory Committee meeting on December 10, 2015
- Citizens Advisory Committee meeting on January 6, 2016
- Disability Advocacy Committee on January 11, 2016
- Visalia Homeless Resource Task Group on January 14, 2016
- Continuum of Care Member Meeting on January 21, 2016

These committees and task groups included representation from businesses, faith based organizations, such as Visalia Rescue Mission, Love In The Name of Christ; concerned citizens, community and regional

organizations, such as State Dept of Rehabilitation, Central California Family Crises Center, Central Valley Recovery Services, Inc., and United Way of Tulare and Kings Counties. Also Proteus, CSET, Family Services, Kaweah Delta District Hospital, Pro Youth, Kings Community Action Organization, Lighthouse Rescue, Resources for Independence, Central Valley, St. Francis Respite, Inc. The Warehouse, TCHA, Tulare County Public Defender, Turning Point of Central California, Inc., COC, City and community at large

Among responses through listserv distribution, Christian Church Homes, Family Services and CAC members provided additional feedback as participants in the consultation /feedback process on community development, homeless and housing needs. Results of the feedback are reflected in the community outreach table.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

As the designated Continuum of Care, the Alliance is responsible for the planning process for the bi-county region which includes the City of Visalia. The City is an active partner with the Alliance, which it also provides funding and works closely with the Kings/Tulare Homeless Alliance (Alliance) in an effort to support, create, and sustain solutions that address homelessness within the city. As such, the City participates in stakeholder meetings as well as responds to unmet needs with new or expanded programs as resources become available.

The mission of the Alliance is to coordinate and leverage policy and resources that empower community partners to address homelessness in Kings and Tulare County. Through its mission, the Alliance sets funding priorities and local policies, facilitates initiatives and tracks performance of homeless programs within the region.

Alliance membership meetings are held on a monthly basis and include diverse representation such as the Housing Authority of Tulare County, Kaweah Delta Hospital, Tulare County Health and Human Services Agency, City of Visalia, Visalia Police Department, US Department of Veteran's Affairs, as well as dozens of housing and service providers. Additionally, the Alliance facilitates include a monthly case management roundtable where housing providers, healthcare providers, VA, mental health and other service providers meet to work cases and to place new clients into housing from the coordinated assessment system. The Alliance also hosts dozens of meetings each year with its members, community stakeholders, and providers to elicit feedback and to ensure community-wide support of strategic initiatives. Areas addressed through these meetings include funding priorities, performance standards, local policies, and annual goals.

Lastly, on a quarterly basis, local faith-based and housing provider task forces meet to collaborate on initiatives specific to the City of Visalia. These task forces were created at the request of the City of Visalia Mayor to increase focus within the City of Visalia as it relates to addressing homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Not applicable. The City does not receive ESG funding.

However, the City supports its local Continuum of Care in its efforts to receive funding toward the needs of our community.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Identify any Agency Types not consulted and provide rationale for not consulting

The City did not intentionally exclude any groups from the consultation process, but instead encouraged more feedback on the preparation of this Action Plan, utilizing the City’s contact list of agencies created during the 5 Year ConPlan. Many agencies were represented at the various meetings. However, via-email, the City reached out once again, and provided the recipients with a power point presentation that included information on the ConPlan and Action Plan process, High Priority Needs identified through the 5-year ConPlan, the 2015 Action Plan activities and funding, as well as the recommended 2015 HOME and CDBG Amendments, and proposed 2016 Action Plan activities, based on existing commitments and ongoing projects. The power point included a Feedback response form, asking 1) what is their feedback on the proposed goals and activities for the second year (Action Plan), and 2) what other goals (high priority activities) are needed for low income housing, jobs and/or low income areas. Then requested narrative feedback and identification of agency they represent. They were encouraged to complete the feedback survey and return to the City to incorporate their feedback for Council to review and consider at the March meeting.

Other local/regional/state/federal planning efforts considered when preparing the Plan

| Name of Plan | Lead Organization | How do the goals of your Strategic Plan overlap with the goals of each plan? |
|-------------------------------------------------|-------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Continuum of Care | Kings/Tulare Counties Homeless Alliance (Continuum of Care) | Connecting the Dots is a Ten Year Plan to prevent and end homelessness in the Kings and Tulare County region. This effort is aligned with the Strategic Plans goal to support activities that prevent and end homelessness. |
| San Joaquin Valley Fair Housing & Equity (FHEA) | California Coalition for Rural Housing | The FHEA provides an overview of racial and economic segregation patterns in the City and describes its impact on residential mobility. The report also includes a set of recommendations to promote integration in the City and lessen the negative consequences generated as a result of segregation identified within the report. Both plans focus on supporting and promoting the creation of affordable housing opportunities for LMI and special needs households |
| City of Visalia General Plan Housing Element | City of Visalia | The Housing Element identifies the housing needs of the community, goals and objectives to address those needs, and outlines the communitys efforts to pursue specific policies and programs to achieve its goals and objectives. The Strategic Plan supports the Housing Elements plan to ensure that there is an adequate supply of affordable housing to meet the current and future needs of the population. |
| Analysis of Impediments to Fair Housing (AI) | City of Visalia | The AI provides an overview of laws, regulations, conditions, and other possible obstacles that affect an individuals or households access to housing in the City. It also serves as a blueprint to guide future fair housing planning and resource allocation and is meant to provide meaningful information to policymakers, housing advocates, providers, and lenders in their effort to build and support fair housing policies and practices. The City is working to contract with the Fair Housing Council of Central California to provide services including education. |

2016 Original Action Plan: The City of Visalia encourages residents, public service organizations, and other interested parties to participate in the development of the Five Year ConPlan and Annual Action Plan by attending public meetings and public hearings held at various stages of the plan development.

Five community meetings and one (1) City Council work session meeting for feedback in the development of the Draft Action Plan; three additional community meetings and City Council meeting during the 30-day public comment period for review of the Draft Plan

The five (5) community meetings and one (1) City council work session meeting were:

North Visalia Neighborhood Advisory Committee meeting on December 10, 2015

- Citizens Advisory Committee meeting on January 6, 2016
- Disability Advocacy Committee on January 11, 2016
- Visalia Homeless Resource Task Group on January 14, 2016
- Continuum of Care Member Meeting on January 21, 2016
- City Council Work Session on March 07, 2016

Three (3) additional community meetings and two (2) City Council meetings were held as follows:

- North Visalia Neighborhood Advisory Committee meeting on March 10, 2016
- Disability Advocacy Committee on March 14, 2016
- Citizens Advisory Committee meeting on April 06, 2016

City Council reviewed the Draft 2016 Action Plan on April 04, 2016. And finally, on April 18, 2016, a public hearing was held to solicit input on the final FY 2016 Action Plan.

Outreach: It is estimated that there was a potential reach of 519 entities, organizations, or persons who were sent an email to participate in feedback. Staff provided an overview of the 5 yea Consolidated Plan, high priorities, review of current year action Plan, and proposed activities for 2016's Action Plan.

March 15, 2017: Minor Amendment No 2 (AP 2016) redirecting Oval Park Playground funds \$29,989.90 to Oval Park (Improvements). Minor amendment memo included with approvals. No changes to the goals for either Park or Improvement Projects. Meets the requirements of a minor amendment as noted within Citizens Participation Plan.

April 3, 2017: Substantial Amendment (AP 2016) directing up to \$200,000 in HOME Program Income to SHE-CHDO Acq/Rehab projects. Public hearing, publishing of notice, community participation occurred with the 2017 Action Plan.

Expected Resources

AP-15 Expected Resources – 91.220(c) (1, 2)

Introduction

Visalia indicated that HOME funds would generally be used for multifamily new construction, scattered site acquisition/rehab of existing rental and ownership properties through the City's certified Community Housing Development Organization (CHDO), down payment assistance and tenant-based rental assistance.

The CDBG program planned priorities identified for the same term is public and park improvements, public services, such as code enforcement, fair housing, voucher program, case management, owner occupied housing rehabilitation, and economic development, specifically repayment of the Section 108 loan.

In FY 2016, Visalia will fund activities in furtherance of the objectives and priorities identified in the Strategic Plan with the outcome of improving availability, accessibility, affordability and sustainability through activities which benefit the community. The activities for the 2016 FY will support at least one objective and one outcome.

In February, the City received notice from HUD of the of the CDBG and HOME 2016 formula allocation for 2016 program year. The CDBG funds increased 0.08%, less than 1 % and HOME increased approximately 8%, over last year allocations.

For Fiscal Year (FY) 2016-2017, the City will have a total of \$1,116,868 in CDBG grant funds to allocate towards activities and estimates that it will receive \$50,000 in program income. The City also expects to have a total of \$369,985 in HOME grant funds eligible to allocate toward activities and estimates that it will receive \$200,000 in program income.

In the event final CDBG and HOME program income is higher or lower than expected herein, the City of Visalia may add, subtract or transfer amounts among identified projects, as noted without publishing substantial amendment, if the amount is below 75 % change, as per the approved Citizens Participation Plan. Any difference in CDBG funding will be reflected in public infrastructure/ada project line item; any difference in HOME funding will be reflected in SHE CHDO Acq/Rehab/new construction or reconstruction projects.

Currently, the City is not eligible to receive direct funding under the Emergency Solutions Grant (ESG) or Housing Opportunities for Persons with

AIDS (HOPWA) – also programs covered under the Consolidated Plan Regulations.

March 15, 2017: Minor Amendment No 2 (AP 2016) redirecting Oval Park Playground funds \$29,989.90 to Oval Park (Improvements). Minor amendment memo included with approvals. No changes to the goals for either Park or Improvement Projects. Meets the requirements of a minor amendment as noted within Citizens Participation Plan.

4-3-17 substantial amendment adds an additional \$200,000 in HOME Program Income toward SHE CHDO Acq/Rehab projects.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City continues to prioritize the needs of the community. This year, \$16,500 in CDBG funding will be utilized as matching and institutional delivery funds in partnership with Family Services toward vouchers. These funds will help up to 11 homeless families in the City. Code Enforcement staff anticipates working with non-profit agencies in outreach to the homeless in our community and addressing code violations such as substandard housing. The City also contributes CDBG funds toward the Alliance and promotes increased collaboration among housing, service and faith based organizations.

Visalia's matching requirements will be satisfied again this year with the use of prior year rollover of Redevelopment Low Mod funding. Additionally, as HOME projects are completed, the specific projects, and match, will be referenced on the HOME Match Report within the CAPER. As reflected in the HOME Match report submitted with last years (2014) CAPER, the City has a substantial exceed match of \$5,477,846.

The City is working to partner with its local non-profit partners for affordable housing activities, which may provide sweat equity and non-federal sources.

Below is a list of potential financial resources considered a part of the City's overall financial plan to address priority needs and specific objectives identified in the Consolidated Plan. The number and availability of these programs to assist cities is limited, and funding for new projects is unpredictable. The following programs are local, state and federal programs. None of these are managed locally by the City through funds accessed directly from HUD.

- **HACT:** HACT is a public housing authority with jurisdiction within the City of Visalia and the County of Tulare. It administers federal and state funds for its public housing projects and government-assisted housing units such as the Section 8 Rent Subsidy and currently 30-Veterans Affairs Supportive Housing (VASH) vouchers.
- **Low-Income Housing Tax Credit Program (LIHTC):** The LIHTC program provides for federal and state tax credits for private developers and investors who agree to set aside all or an established percentage of their rental units for low-income households for no less than 30 years. Tax credits may also be utilized on rehabilitation projects, contributing to the preservation program. The program begins when developers and investors apply for an allocation of tax credits from the California Tax Credit Allocation Committee (CTCAC). Tax credits are awarded on a competitive basis at varying times. Compliance is monitored according to Internal Revenue Service (IRS) rules and regulations.
- **Multi-Family Housing Program:** If California's Housing and Community Development Department awards Multi-Family Housing Program loans to assist rental housing developments affordable to low-income households in the City of Visalia, the City will assist the developers with identifying local funding.

The City will continue to apply for the Department of Housing and Community Development Housing-Related Parks (HRP) Program incentive grant, funded through Proposition 1C, the Housing and Emergency Shelter Trust Fund Act of 2006 for funding improvements at HCD Qualifying Disadvantaged Parks. If awarded, these funds will assist with the improvement efforts.

The City will also continue to look for other grant opportunities such as Strategic Growth Council's Affordable Housing and Sustainable

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

As the Housing Successor Agency of the former Redevelopment Agency (RDA), the City is working on a plan for the development and disposition of the RDA's low/mod properties. The City will publish RFPs to encourage local nonprofits to submit proposals for the development and disposition of these properties.

With the elimination of the City's Redevelopment Agency (RDA), the City has become the Successor Agency and will be moving forward on the next steps related to previously owned RDA land.

Discussion

Resources were updated to reflect the 2016 Action Plan and Amendments.

A potential concern is HUD's move to eliminating the FIFO (first in, first out) rule for spending down funds, beginning in PY2015-2016. Currently, the City is able to manage funding and activities with its non-profit partners, including Self Help Enterprises, Inc., as a Community Housing Development Organization (CHDO). With the rule change, each year's grant funds will be tracked by the year. If there is no change with program income being required to be drawn first, due to the success of recycling of HOME funds, and CDBG loan repayment, it may become more of a challenge to spend each year's entitlement funds fully, putting future funds in jeopardy.

Table 7 – Goal Descriptions

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

HOME funding shall be directed to housing projects and programs identified in the 5-Year (2015-2019/20) ConPlan, as influenced by market conditions and characteristics influencing the use of funds available, as indicated within SP-30 as referenced below:

TBRA, market characteristics indicated 21 percent of households in the City are cost burdened and paying 30-50 percent of their income toward housing costs. Eighteen percent of households in the City are cost burdened and paying more than 50% of their incomes on housing costs. Additionally, Special needs populations generally face unique housing challenges and housing affordability may be a significant issue for those relying on fixed incomes. This indicates that as a result of the high cost of housing, special needs groups may be at greater risk of experiencing cost burden and have more trouble finding housing that is affordable to them. They may require rental subsidies to meet the cost of housing.

New Unit Production market characteristics indicated that in total, there are 11,455 units affordable, as per 2007-2011 CHAS data, and reflected in Table 31, to LMI households earning 80% or less AMI, yet there are 13,480 households within this income bracket in need of housing.

Rehabilitation market characteristics as indicated through the Needs Assessment and Market Analysis conducted, there is a need for maintaining and improving existing renter and owner households, as well as senior mobile homes.

Lastly, acquisition, including preservation market characteristics as indicated through the Needs Assessment and Market Analysis, 23 percent of renter households are cost burdened and paying 30-50 percent of their income toward housing costs, while 27 percent are severely cost burdened and paying more than 50 percent of their income on housing costs. Twenty-two percent of owner households are cost burdened and spending 30-50 percent of their income on housing costs, while 13 percent are spending more than 50 percent of their income on housing costs. HACT currently has 4,751 households on the Visalia Area public housing waiting list and 16,242 on the countywide Section 8 waiting list.

Therefore, HOME funds will assist low, very low and extremely low-income households. The figures below represent only the number of estimated families/households Visalia's HOME projects and/or programs may assist during the 2016/17 program Year. For example, continued efforts through Self Help Enterprise, CHDO acquisition, rehabilitation and resale, and rental properties, providing gap financing, and implementing the Tenant Based Rental Assistance Program. With limited available funding, the following number of households at the 30%, 50% and 80% area median income will be assisted:

Extremely Low (30%) =1

Very Low (50%) =1

Low (80%) = 2

Introduction

The four Consolidated Plan goals below represent high priority needs for the City of Visalia (City) and serve as the basis for the strategic actions the City will use to meet these needs. Based on the Needs Assessment, Market Analysis, and community outreach conducted for the current Consolidated Plan cycle, the goals from the previous Consolidated Plan were found to still be consistent with current needs.

- Creation and preservation of decent affordable housing
- Provide a suitable living environment
- Promote economic opportunity
- Program administration, planning, and management

Table 8 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

As opportunities arise, the City investigates grant opportunities, which assist in addressing the obstacles in meeting the needs of underserved populations. As indicated in the Strategic Plan, the City will focus a portion of housing related funding in targeted low-income neighborhoods. Based on the widespread need for affordable housing, however, assistance will be available citywide.

Last year the City provided HOME Community Housing Development Organization (CHDO) funds to Self-

Help Enterprises, Inc. (SHE), the City's Certified CHDO, for an acquisition/rehabilitation Projects. The project allows acquisition of voluntary or foreclosed single family homes, which will be rehabilitated and resold to income qualifying households. The project also allows acquisition, rehabilitation and rent of multi-family units. SHE was successful in acquiring four homes and one-5 unit multi-family unit during the 2015, therefore, funding towards SHE, as a CHDO, will continue to assist with increasing homeownership, and improve neighborhoods. SHE will also improve existing rental units and provide services, which will be leased to low and very low income tenants.

This year an amendment to the policies include acquisition of infill and vacant properties, as well as reconstruction of existing units. This allows SHE to utilize HOME funds more efficiently with the changing in market pricing and conditions.

The City is working on policy development of the pilot program, known as Tenant Based Rental Assistance (TBRA), with the use of HOME funds. Staff anticipates publishing the RFP and final draft policies mid-year 2016. Additionally, a separate RFP for the use of CDBG funding for case management will be published. This will provide affordable rental housing (HOME) and also case management public services (CDBG) to very low income people.

Habitat for Humanity will continue to acquire foreclosed homes within targeted neighborhoods, rehabilitating and reselling to households at or below 50% of the area median income, with the use of the remaining NSP program income funding.

The City's Analysis of Impediments to Fair Housing Choice (AI) provides an overview of laws, regulations, conditions, and other possible obstacles that affect an individuals or households access to housing in the City. The City has contracted with Fair Housing Council of Central California a non-profit fair housing provider for services related to education, research analysis and other services that may assist in educating the public.

CDBG Funding may be directed to the Senior Mobile Home Repair Program, with an amendment for 2015 funding to be redirected from the Housing Rehabilitation and Accessibility Rehabilitation Program (HRAP); Emergency Repair and Accessibility Program (ERAP) toward the mobile home program. Self Help Enterprises is conducting an analysis of costs associated with its administration to streamline the process in order to implement the mobile home program. City staff continues to evaluate the CDBG policies and procedures for the implementation of a rehabilitation program, working with non-profit agencies, City staff including Code Enforcement to identify neighborhoods and homeowners in need of repairs.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The ConPlan does not specifically target areas, except to identify low/mod census tract areas for the use of funding for eligible projects/programs, such as Code Enforcement and Park/Public Improvements, which lie within such area.

Visalia Citywide: The City of Visalia (City) is located in the northwestern area of the County of Tulare (County) in the Central San Joaquin Valley of California. It is the largest city in the County and is currently home to approximately 129,582 residents. The City covers approximately 36 square miles and is surrounded by farmland, leading the agricultural industry to be its top economic driver. IDIS Low/Mod Census Tracts (eligible CDBG Target Areas)

The Detailed boundaries for the CDBG Target area is listed below under "discussion" due to the detailed narrative boundary descriptions.

Low/Mod areas are identified in Map 1 are census tracts and blocks 10.03.5; 10.04.1, 10.04.2, 10.04.3, 10.04.4; 11.00.1, 11.00.2, 11.00.3, 11.00.4; 13.01.2; 13.02.1; 17.01.1, 17.01.2; 18.00.1; 20.03.1; 20.08.1; and 20.09.3. Rationale for the priorities for allocating investments geographically

Entitlement dollars will be distributed citywide as eligible. However, CDBG funds will be utilized in CDBG Target areas for Code Enforcement and Park Improvements. A presumed Benefit project, such as ADA

walkway within a park would be applicable, in addition to areas within CDBG Eligible areas. This year, less funding is directed toward the CDBG Low Mod Area, due primarily to funding being directed toward the Mobile Home Repair Program, which is within mobile home parks throughout the City. The program is focused upon seniors and households with accessibility needs. The CDBG funding directed toward public services is a citywide public service benefit.

Affordable housing will be citywide, which encompasses CDBG Target Areas. Other programs may benefit within the CDBG Target areas as well, however, are allowed citywide. Tenant Based Rental Assistance Program may fall within the targeted area, only due primarily to the fact services are primarily in the downtown area, which lies within the CDBG low/mod area.

Discussion

Staff is working with its non-profit partners to expand program and project policies to include additional types of acquisition, such as vacant, infill and reconstruction. As funding, through program income becomes available, they would be directed toward SHE/CHDO Acq/Rehab projects due to their success and the housing needs of our community. It is anticipated that two single family properties will be acquired and rehabilitated. It is also anticipated that 1 rental multi-family property will be acquired, rehabilitated and rented.

Staff anticipates publishing the Tenant Based Rental Assistance (TBRA) RFP mid 2016, which will provide

rental assistance to very low income households.

AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority works closely with the City, Continuum of Care “Alliance” and the recently formed Homeless Resource Task Group. Actions planned this year are referenced below.

Actions planned during the next year to address the needs to public housing

The Housing Authority of Tulare County (HATC) staff indicated that they will continue to own and manage 179 units in the City of Visalia, and that there is no plan to purchase additional public-housing units, nor do they plan on removing any units from its inventory. HATC Staff stated, “In the Fiscal Year 2016 - 2017, HATC is to invest a total of \$490,00 in Capital Fund improvements for its Public Housing Stock located in the City of Visalia. The noted expenditures will cover maintenance and rehabilitation in public-housing units within the City of Visalia. Capital Fund expenditures will cover a large range of projects, including roofing replacement, landscaping improvements, carpet replacement along with Air Conditioning and Heating unit improvements”.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority of Tulare County is proactive in the inclusion of public-housing residents in the policy making process. An equitable and transparent policy making process that includes the opinions of public housing residents is achieved through the participation of two tenant commissioners on HATC’s Board. Furthermore, HATC indicated that they have installed a Resident Counsel which is made up of five residents from all of HUD funded programs (Multifamily Housing, LIHTC, HOME, Section 8 Housing Choice Vouchers and public-housing). The Resident Counsel works with HATC staff on evaluating the effectiveness and efficiency of HATC rental assistance programs. This provides members the opportunity to provide input on necessary program modifications.

A vital driving factor in the implementation of HATC programs is the promotion of tenant self-sufficiency. This agency views the goal of homeownership for program participants as one of the long term goals for all of their clients. HATC staff indicated also stated, “Our staff works with tenants to effectively provide them with the necessary resources to achieve homeownership. Our Annual Re-Examination Notice provides public-housing participants with an extensive referral list that provides assistance with homeownership. This list includes programs managed by: CSET, City of Visalia, Habitat for Humanity, CalHFA, and Self Help Enterprises. Our program coordinator works with any interested public housing tenant in order to effectively inform them of all the different programs that are available to them. Effective collaboration between our agency and other public and nonprofit agencies is imperative to help promote homeownership among all of our tenants”. Lastly, HATC agency has consistently been a sponsor and active participant of the Tulare County Housing Resource Fair, an event that provides participants the opportunity to access available public/private programs to purchase their

first home.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Housing Authority of the County of Tulare is a high performer and not determined to be troubled.

Discussion

Please see discussion above.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The Kings/Tulare Homeless Alliance (Alliance) serves as the local Continuum of Care and holds monthly meetings, which serve as a forum for discussing community-wide issues while providing opportunities for participants to learn about services available in the community for the homeless population. Additionally, the Alliance works to expand understanding of the services needed by those who are homeless, to facilitate consolidation and coordination of such services, to reduce duplication of such services, and to improve service delivery to homeless people.

The Alliance has worked diligently to establish the local coordinated intake and assessment strategy entitled, Every Door Open. The Every Door Open strategy is a partnership of service and housing providers (collectively referred to as “Providers”) and is structured to deliver a more consistent level of services and housing to those that are at-risk of homelessness or experiencing homelessness in Kings/Tulare counties. Every Door Open coordinates local investment towards ending homelessness, in order to increase our ability to prevent and reduce homelessness.

The Alliance also performs several other operational requirements as mandated by the HEARTH Act such as:

- Operating the Homeless Management Information System (HMIS);
- Measuring system and program level performance;
- Preparing and overseeing the annual CoC Program application for funds;
- Establishing local funding priorities for the geographic area; and
- Conducting the annual Point in Time count

These efforts promote the Alliance’s communitywide commitment of ending homelessness within Kings and Tulare counties. The Housing Specialist of the City’s Community Development Department regularly attends Alliance meetings.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City provides support to the Alliance for conducting outreach efforts to persons experiencing homelessness. On an annual basis, the Alliance conducts the PHC event and PIT census. The one-day PIT survey provides a snapshot of the adults, children in households and unaccompanied youth living in the

City of Visalia who meet HUD's definition of homelessness. Information gathered through the PIT is used to understand the causes and trends over time of homelessness, as well as to determine the unmet shelter and service needs of the homeless.

PHC is a national best practice that is a one-stop-shop of comprehensive support services for people experiencing homelessness. Guests attending the event are partnered with volunteers who assist in identifying and accessing necessary resources. The 2015 event was held on January 29, 2015, and served 357 persons either at-risk or experiencing homelessness in Visalia. Of those served at the event, 28% or 100 "unsheltered" were literally homeless. The 2016 event was recently held on January 28, 2016 where the results will be reported in the next CAPER report to HUD.

The bi-county region now has the support of a housing navigator who spends two days per week in Visalia. The navigator visits known encampments and other hot spots to conduct assessments with people experiencing homelessness. The assessments are entered into the local HMIS and automatically placed into the housing priority list for potential placement into housing opportunities.

Other outreach efforts are regularly conducted by VA, emergency shelters, mental health centers, crisis hot lines, meals programs, churches, community health nurses, community based organizations, law enforcement officers, and the City's code enforcement department.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City, through collaboration with the Alliance, utilizes Every Door Open, a Coordinated Entry and Assessment System Serving Kings/Tulare Counties. Every Door Open uses the Vulnerability Index and Service Prioritization Decision Assistance Tool (VI-SPDAT) and the Vulnerability Index and Family Service Prioritization Decision Assistance Tool (VI-F-SPDAT) tools, which assist in consistently evaluating the level of need and appropriate services for all clients seeking services. All ESG and CoC funded programs are required to use the coordinated assessment tools to assess clients. Additionally, all ESG and CoC funded projects are required to take referrals from the coordinated assessment system.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City of Visalia supports and collaborates with local service providers, through the Alliance, to assist homeless individuals and families. The Alliance's current funding priorities are for the development and retention of permanent supportive housing as well as rapid re-housing activities.

The coordinated intake and assessment system, described previously in this section, acts as the process for prioritizing people who are homeless and most vulnerable, which include people who are chronically homeless, families with children, veterans, and unaccompanied youth. Through the Every Door Open plan, clients are assessed and referred to the most appropriate resources based on the results of the VI-SPDAT.

All programs within the Alliance- emergency, transitional and permanent housing- include supportive services for their clients. Each program designs and implements supportive services based on their target population and partnerships leveraged within the community. The overarching goal of the supportive services offered is to link individuals and/or families with mainstream benefits and income support, education and employment services, as well as health and life skills services. These linkages are a critical component to assisting clients in self-sufficiency, reducing episodes of homelessness, and preventing recidivism.

Programs that serve these vulnerable subpopulations include:

- CSET, Family Services, Turning Point and Tulare County HHSA provide Permanent Supportive Housing (PSH) programs for chronically homeless individuals and families and/or families with children.
- The Veterans' Administration, in conjunction with HATC, operates HUD's Veterans Affairs Supportive Housing (VASH) program, which provides 35 permanent supportive housing vouchers for homeless veterans and their families. Westcare provides Supportive Services for Veteran Families (SSVF) which provides RRH assistance to veterans and their families.
- Aspiranet and EMQ Families First operate housing programs for transitioning age youth.

Additionally, the City is finalizing policies and procedures for its pilot program, "Tenant Based Rental Assistance", which will provide gap rental assistance to those most in need, in coordination with the Continuum of Care's VI-SPDAT assessment.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Prevention and shelter diversion are key interventions in the fight to end homelessness. Immediate screening for these possibilities at entry is an important strategy and can preserve emergency beds for households that truly have nowhere else to go. Access to rental subsidies and case management at entry is often enough to ensure the household successfully remains housed.

All households seeking homeless housing services are assessed using the VI-SPDAT triage tool to determine their level of acuity and appropriate housing intervention. Housing opportunities are provided to those who are in greatest need, regardless of whether they have been in a publicly-funded institution or system of care.

For those who diversion would be most appropriate, referrals are immediately made. An important component of prevention/diversion is assisting households with income supports and connections to mainstream benefits. The SSI/SSDI Outreach, Access and Recovery (SOAR) model is designed to increase access to Supplemental Security Income and Social Security Disability Income for eligible homeless adults who are and have a mental illness and/or a co-occurring substance use disorder. Staff from Kaweah Delta Hospital, Tulare County HHSA, as well as other service providers use SOAR to obtain these mainstream benefits for their eligible clients. Participation by these agencies provides an efficacious method for assisting households who may otherwise pursue homeless assistance.

The region’s 2-1-1 system is another important resource for individuals and families who are at-risk of or are imminently losing their housing. By accessing 2-1-1, those in need are connected with telephone specialists who are trained to answer questions, listen to callers' needs and connect callers with accurate referrals. Referrals are based on a continuously updated database with more than 200 health and human service programs and non-profits city and countywide.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction

The City is committed to removing barriers to affordable housing. City staff works with other departments to coordinate efforts to eliminate barriers to affordable housing. Barriers to affordable housing include the following:

- Housing Affordability
- Housing Stock
- Policies and Programs

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City actively monitors its existing zoning and development standards to ensure for their necessity and efficacy for achieving the goal of safe and livable housing available for all income categories. The City is presently analyzing several potential zoning revisions to streamline the development process, or to revise several zoning standards that could result in reduced development costs without compromising housing or neighborhood livability. Potential zoning and development process revisions include: Increasing the threshold of units permitted by right in multi-family zoned districts from 60 units to 80 units; increasing the development density of Mobile Home Subdivisions to their underlying zone district; and, reducing the traffic impact fees for affordable housing projects in “in-fill” areas.

AP-85 Other Actions – 91.220(k)

Introduction

The table included under Section AD-26, as Appendices No. 2.(for IDIS) and referenced herein below is included in the Analysis of Impediments to Fair Housing (AI) and represents the ongoing recommendations from the 2010 AI to reduce impediments to fair housing choice. The table reflects the Action and Goals, such as:

- Goal 1: Expanding Affordable Housing Opportunities
 - Housing Partnerships
 - Affordable Housing Resources
 - Housing Choice for Special Populations
- Goal 2: Expanding Access to Financing
 - Outreach to Lenders
 - Education and Resources
 - Unfair Lending and Insurance Practices
- Goal 3: Fair Housing Services
 - Apartment Owners/Managers
 - Fair Housing Testing and Audits
 - Reasonable Accommodations
- Goal 4: Affirmatively Furthering Fair Housing in the City of Visalia

Actions planned to address obstacles to meeting underserved needs

The City will continue to work closely with non-profit housing and service providers to collaborate on improving the awareness and expansion of available resources to address the needs of the homeless population.

Staff is finalizing the request for proposal related to the Tenant Based Rental Assistance (TBRA) program, which will be published for administration proposals by June or July 2016. The program, once a subrecipient is selected will assist between 2 and 4 households, with funding from 2015 and 2016. If the pilot program is successful, future funding may be recommended and directed toward the program.

Actions planned to foster and maintain affordable housing

The City or its non-profit partners, such as Self Help Enterprise and Habitat for Humanity, will continue to acquire, rehabilitate, and resell single family homes to families through the HOME funding and remaining Neighborhood Stabilization Program funds. The City will also continue to provide down payment assistance through the HOME-funded First Time Homebuyer Program as funding comes available. Additional efforts to foster and maintain affordable housing, includes partnering with Self

Help Enterprise, a certified CHDO, in their efforts to acquire, rehabilitate, construct or reconstruct then resell and/or rent affordable homes and rental units. SHE CHDO Projects single family properties, include allowing gap financing to the new homeowner, which would be carried as a second mortgage loan, with an affordability covenant.

Actions planned to reduce lead-based paint hazards

The Tulare County Childhood Lead Poisoning Prevention Program provides educational information and training for inspectors. For all of the City's housing programs, applicants are informed of the danger of lead-based paint through a brochure as part of the application process. In addition, City building inspectors are alert of the application process. In addition, City building inspectors are alert to signs of this hazard as they perform their substandard housing inspections. All housing owners and occupants with which the City interacts through its various programs are required to abate this hazard as a condition of assistance from the City.

According to 2007-2011 ACS estimates, 41 percent of owner occupied units and 53 percent of renter occupied units were built before 1980 in the City. The use of lead-based paint was banned nationwide in 1970. It is estimated that 42 percent of the City's housing stock contains lead-based paint. As units continue to be repaired, rehabilitated, or replace, no lead-based paint has been used since 1978.

For all of the City's housing programs, applicants are provided information related to the dangers of lead-based paint through a brochure as part of the application process. All program participants with which the City interacts through its various programs are required to abate this hazard as a condition of assistance from the City.

The City also conducts lead testing on pre-1978 homes and multi-family units it purchases through its affordable housing programs. The City also requires the rehabilitation contractor to utilize safe practices and obtain certification through a HUD-certified lead testing agency.

Actions planned to reduce the number of poverty-level families

The City works with Family Services through the Voucher Program to reduce the number of poverty-level families. The City will also continue to provide its non-profit partners with funding to acquire, rehabilitate, and sell homes to income-qualifying households at or below 80% AMI.

Additionally, the City has made a commitment to improve the communication and service delivery capabilities of agencies and organizations that provide programs to assist the homeless. Specifically, Staff participates in the monthly Continuum of Care (Alliance) meetings and the Visalia Homeless Resource Task Group to identify funding and opportunities to provide Visalia's homeless population with housing and service opportunities.

The City will also continue to partner with organizations to provide services and address the full range of

needs of LMI families. Although there are coordinated programs and services to reduce poverty, it is recognized that many unmet needs will remain. The City will continue to work with its partners to identify and work toward meeting those needs by strategically focusing its resources and efforts.

Actions planned to develop institutional structure

The City is a charter city and is managed under a Council-manager form of government. City Council provides policy direction to the City Manager who is responsible for administering City operations. City Council members are the leaders and policymakers elected to represent the community and concentrate on policy that addresses the citizens' needs and wishes. The City Manager is appointed by the City Council to carry out policy and ensure that the entire community is served. The legislative body is the City Council and City Councilmembers are the community's decision makers.

The Community Development Department Director oversees and administers the day-to-day activities of the CDBG, CalHOME, NSP1 and HOME programs. Staff works together with various City departments to develop programs and activities that improve low-and moderate-income neighborhoods throughout the City. The administration of program activities includes housing, public facility, park and infrastructure improvements, and economic development activities.

Interdepartmental communication and collaboration are two strengths of the delivery system. City staff from various departments works with local organizations and agencies that assist low-income households and individuals. High priority needs were identified during the Consolidated Plan's community engagement and public review periods.

During the Consolidated Plan public review period, these priorities were established. Additionally, Staff meets with the City Manager, Assistant City Manager, Assistant Finance Director, Community Development Director and Community Development Administrative Services Manager to review the high priority needs, goals established, funding and activities. The Annual Action Plan is designed to address the needs and priorities identified within the Consolidated Plan and direct limited funding available toward the highest needs.

Actions planned to enhance coordination between public and private housing and social service agencies

The City continues to hold community meetings to enhance coordination between housing providers, government agencies, mental health, and other key stakeholders in the City. The purpose of these meetings is to establish a network of agencies to enhance the delivery of services to the homeless, disabled individuals and families, and others seeking services. Last year, these meetings were conducted on a quarterly basis.

With the most recent meeting held in January 2016, the committee felt that it was important to connect on a monthly basis to keep momentum going on the efforts and needs of our homeless population. The

goals established will be expanded upon by reviewing the Homeless 10 year plan goals. These are efforts that are being continued to enhance coordination and work with the Housing Authority of Tulare County, Alliance, subcommittee housing and service providers and faith based organizations, to identify services, housing and other needs.

The City will continue to participate in monthly Alliance meetings, which are attended by various governmental departments and service providers to share information on existing programs and areas for improvement to enhance coordination and exchange knowledge of best practices to better understand and address the community's needs.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction

In the event final CDBG and HOME program income is higher or lower than expected herein, the City of Visalia may add, subtract or transfer amounts among identified projects, as noted without publishing substantial amendment, if the amount is below 75 % change, as per the approved Citizens Participation Plan. Any difference in CDBG funding will be reflected in public infrastructure/ADA project line item; any difference in HOME funding will be reflected in SHE CHDO Acq/Rehab/construct or reconstruct projects.

A 10 year Section 108 loan of \$4,013,000 was obtained on June 12, 2008. was taken by the City in order to help with construction of a Downtown Parking Structure adjacent the City's and Regional Hospital to provide much needed parking for hospital visitors and employees as well as the surrounding businesses. The loan is set to be paid off in August 2018.

A 3 years period is used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income (2014, 2015 & 2016).

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

| | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|
| 1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed | 50,000 |
| 2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan. | 0 |
| 3. The amount of surplus funds from urban renewal settlements | 0 |
| 4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan | 0 |
| 5. The amount of income from float-funded activities | 0 |
| Total Program Income: | 50,000 |

Other CDBG Requirements

1. The amount of urgent need activities 0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 100.00%

HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(l)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

No other form of investment shall be used beyond those identified in Section 92.205.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Recapture Provision: As it relates to the HOME funded Programs, all beneficiaries are owner occupants. The programs are as follows:

First Time Homebuyer (FTHB), funds shall be provided as a Direct HOME subsidy- gap financing, as a second mortgage to households at or below 80% of the area median income. The property will maintain an affordability covenant as referenced under 24 CFR 92.254 (a) (4). The covenant shall remain for five (5) years when less than \$15,000 is provided in gap financing Direct Subsidy to the homebuyer, and shall be for a ten (10) year period when more than \$15,000 up to \$40,000 is provided in gap financing Direct Subsidy to the homebuyer. The "Owners Participation Agreement" (Covenant) shall begin the date the Deed of Trust is recorded. The Provision for the FTHB Program shall be "Recapture Provision" as per 24 CFR 92.254 (a) (5) (ii) (A) (1). The City may recapture the entire amount of the direct HOME assistance from the homeowner. The amount to be recaptured will not exceed the amount of net proceeds available at the time the home is sold. HOME rule limits recapture to available net proceeds, therefore, if net proceeds are insufficient for the city to recapture the full amount of the Direct HOME assistance, the City will recapture only what is available from net proceeds. This applies regardless of the nature of the sale (voluntary sales including short sales, and involuntary sales including foreclosures).

The SHE-CHDO Program utilizes the "Recapture Provision". HOME funds are invested in the

acquisition, rehabilitation, or new construction or reconstruction and Direct Subsidy shall be up to 10% of the total HOME investment (i.e. \$186,000 acq/rehab cost X 10% = \$18,600 Direct Subsidy to homebuyer), which shall be provided as a Second Mortgage to the qualifying new homebuyer. If the property is sold below fair market value, the difference between the fair market value and the purchase price is considered to be part of the HOME subsidy and provided directly to the homebuyer as a direct subsidy. And, any additional subsidy provided to the homebuyer to enable them to purchase the property, which includes down payment assistance, closing costs, interest subsidies, or other HOME assistance including any assistance that reduced the purchase price from fair market value to an affordable price, shall be recaptured.

A 30- year covenant shall be recorded to maintain affordability. The SHE-CHDO Program covenant shall use the “Recapture Provision”, as referenced under 24, CFR 92.254 (a) (5) (ii) (A) (1) and shall begin the date the Deed of Trust is recorded. In the case of the homebuyer selling the home during affordability period, the City may recapture the entire amount of the direct HOME Subsidy and the difference between the fair market value and the purchase price, if the purchase price is below the fair market value, and any additional assistance as referenced above. The amount to be recaptures will not exceed the amount of net proceeds available at the time the home is sold. HOME rule limits recapture to available net proceeds, therefore, if net proceeds are insufficient for the city to recapture the full amount of the Direct HOME assistance, the City will recapture only what is available from net proceeds. This applies regardless of the nature of the sale (voluntary sales including short sales, and involuntary sales including foreclosures).

Note: Staff works with the City Attorney in updating legal documents to comply with the funding source and type of program(s) administered.

The FTHB, SHE-CHDO Program loan documents were reviewed last year by HUD. No changes have been made to these policies. However, if HUD requests a copy for review, City Staff will again provide documents if required prior to implementing the program.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

See Recapture provisions above.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. Overall Benefit. The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2014, 2015, 2016 (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its

jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance With Anti-discrimination laws – The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

Compliance with Laws -- It will comply with applicable laws.
