During the past several weeks, multiple elderly victims have reported thefts and burglaries. The locations were targeted based on the victims' age and neighborhood. The suspects were targeting cash, credit cards, coins, and jewelry and usually fled on foot or different vehicles. On 12/05/10, four female suspects approached a male while outside his residence and during this time one of the females entered his residence and selected a purse at which time she was confronted by a 70 year old female occupant. The suspect then assaulted the victim and all fled on foot which required the victim to be transported to Kaweah Delta Medical Center.
