

# ALERT!

## **GREENLINE WILL BE CLOSED FOR STAFF TRAINING ON Tuesday, February 7th from 1 – 4 p.m.**

Exciting things are happening at Visalia Transit and the Greenline staff will be getting up-to-speed on the service improvements that are on the way. More details to be shared, soon!

Don't worry, callers—you'll still be able to get information! Your calls will be routed to other dispatch centers during this time. However, you may experience delays longer than usual, and we recommend you rely on the free Visalia Transit app and [VisaliaTransit.com](http://VisaliaTransit.com) during the closure.

Thank you for your understanding and patience during our brief closure! We are looking forward to delivering new benefits and upgrades in 2017.
