

South Side Community Center Planning Meeting

The City of Visalia has dedicated a location for a future south side Community Center. Join us as we work with consultants to create a conceptual design for the future facility. The future facility will be at the corner of Visalia Parkway and County Center, next to the Police Substation.

Wednesday, October 11, 2017

6 p.m.

Cottonwood Creek Elementary School

4222 S. Dans St.

The public is invited to attend and share their ideas related to programs & services they would like to see offered at the facility and overall facility design.

We'd like to hear from all ages and interests, we hope you can attend!

For more information call the Visalia Parks and Recreation Department at (559) 713-4365.
