"In order for a commission/committee to meet, conduct business and take action, a quorum must be present. A quorum is generally defined as a majority (one more than half) of appointed members to the particular advisory Page 4 of 9 body." As such, the Transit Advisory Committee, which has nine appointed positions, must have a minimum of five members present to reach a quorum.

Effective April 1, 2012, excessive absenteeism, which is defined to mean missing three consecutive regular meetings or four regular meetings in a 12 month period, shall constitute resignation of the member and the member shall be considered removed from the advisory board.
