

CITY OF VISALIA

MISSION STATEMENT

The Mission Statement, adopted in January 1981, and revised in March 1988, states that the City of Visalia strives to assure that citizens are provided with:

- a clean, safe, well-managed, financially sound, aesthetically pleasing, and environmentally pleasant city in which to live;
- a forum for meaningful participation in political decisions affecting their well-being;
- occupation, recreational and cultural opportunities for self-fulfillment;
- a positive climate for business development.
