HAPPENING OVERNIGHT: Man Arrested For Breaking into Smart & Final During Power Outage

Just after midnight, VPD officers were called to the Smart & Final on West Center Street for a report of a burglary in progress. When officers arrived, they found 28-year-old Michael Newbolt on the property.

Through the investigation, officers learned Newbolt forced his way in through the back gate and entered the store during a power outage caused by a traffic accident nearby. The suspect was caught outside of the building when officers arrived on scene.

Newbolt was arrested and booked for burglary.
