17 Arrested During DUI Enforcement Operation in Visalia

Over the weekend, the Visalia Police Department teamed up with the California Highway Patrol for a joint DUI enforcement effort in and around the city of Visalia. The operation resulted in 17 arrests for driving under the influence.

This partnership is part of an ongoing commitment to keep the roads safe and prevent impaired driving. More joint enforcement operations are planned in the future, with a continued focus on stopping dangerous driving before it leads to serious consequences.

These efforts are made possible through a grant from the California Office of Traffic Safety, funded by the National Highway Traffic Safety Administration.
