

CITY OF VISALIA
CAREER OPPORTUNITY

HIRING ENGINEERS & PROJECT MANAGERS

A better way of **living.**

If work-life balance is important to you, consider living in a thriving community that offers some of the most affordable housing in California and the typical commute time is less than 20 minutes. One of the 200 largest cities in the United States with a population of over 146,000, Visalia offers small town charm with metropolitan amenities. Visalia has a high-quality healthcare, a flourishing arts community, local theatre companies, a downtown convention center, and many fine dining establishments.

Visalia has a diverse economy that offers opportunities for families to live in the Golden State while also getting the quality-of-life families deserve.

The City has many community parks, organized team sports, a municipal golf course, private country club, family-oriented regional sports park, and numerous outdoor and recreational activities. Located in the heart of California's San Joaquin Valley, Visalia offers the best location in CA to experience all the natural wonders of the state from an affordable and accessible central location.

Our strong sense of community and social well-being keeps Visalians happy, healthy and moving forward. Come discover all Visalia has to offer!

Annual Salary: \$90,045-\$148,121
Depending on level and qualifications

The Division

The City of Visalia's Engineering and Building Department serves the City by providing a wide range of engineering services to the development community. The Division is highly active, managing all facets of municipal engineering services including capital project design and construction, private development project review, traffic safety, and public works inspections. The Division oversees a multitude of improvement projects ranging from street expansions, traffic signal installations, sewer and storm drain utilities, and City building projects such as the new Council Chambers, Public Safety Building, and all emergency service buildings.
