Dear El D Families,

We are aware of images and conversations circulating on social media about a student making a threat toward the safety of staff and students at El Diamante High School earlier today. The Visalia Police Department was contacted immediately. After conducting a thorough investigation, they determined the threat to be not credible. There is currently no danger to students, staff, or the school campus.

We take all threats seriously, and the safety of our students and staff remains our top priority.
