Dense Fog Creating Hazardous Driving Conditions

This morning, extremely dense fog is creating dangerous driving conditions throughout the area. Visibility is severely limited, and motorists are urged to slow down and use extreme caution.

Officers are currently on scene at multiple locations due to hazardous roadway conditions, including:

- Plaza & Ferguson
- Kibbler & Plaza
- Riggin & Shirk
- Goshen & Chinowth

Drivers are strongly encouraged to avoid these areas if possible while officers manage traffic and respond to incidents.

Motorists should reduce speed immediately, increase following distance, and ensure headlights are on. Rushing in these conditions significantly increases the risk of serious collisions.

Public safety is our top priority. Your cooperation is critical in preventing injuries and keeping our roadways safe during these hazardous conditions.

Additional updates will be provided as conditions change.
